

Dear Colleague,

Once again it is time to seek nominations for the Stateline Nurses Network awards. An award or awards will be given again this year in the following categories. The **Excellence in Nursing Award** is for an outstanding nurse who has demonstrated excellence in practice. Specific criteria for this award are listed on the nomination form. The **Distinguished Advocate for Nursing Award** is for an individual (nurse or non-nurse), group, agency, or institution that has/have promoted and or supported nurses, the nursing profession, or the specific missions of nursing.

With this letter, please find the Distinguished Advocate for Nursing Award nomination form. We encourage you to copy the form and display or distribute it at your place of employment or any professional organization with which you are associated.
